

Harmony Campus Phase II

www.Clackamas.edu/BondInformation

Harmony Community Campus Open House

Wednesday, March 16

4-7 p.m.

7738 SE Harmony Road

Join us for a conversation about the future of the Harmony Community Campus. This is an opportunity to learn about upcoming projects from current and future campus partners as well as the Clackamas Community College bond construction. Your input and time is appreciated.

While at the open house, take a walk through the old Oregon Institute of Technology/Dale Ickes Junior High building and bid it farewell. Its long history of education will continue in the Harmony Phase II building.

For questions, contact Lori Hall, Clackamas Community College Public Information Officer, at lori.hall@clackamas.edu or 503-594-3162.
